CORRECTIONS TO THE OCTOBER 1992 ISSUE:

Apologies to ILA immediate past president Betty Holbrook for a couple of omissions from her column in the October 1992 *Idaho Librarian*. In the paragraph about Legislative Day, Betty noted that Adrien Taylor has made several friends for ILA in that arena. The word "friends" was left out. Several paragraphs later, the names of several Spring Conference chairs were omitted. The faulty sentence sentence should have read, "The very successful Spring conferences produced by Randy Simmons, Anna Green, Margaret McNamara, Nina Hawkins, Peggy McElfish, Dawn Wittman, Wanda Phillips, Pat Hamilton and Jean Clark."

These were the fault of the editor, not the author. Sorry Adrien, Wanda, Pat and Jean!

In the same column, mention was made of the World Book-ALA Goal Award that was granted to ILA and WLA for the pilot media training package consisting of a video and written materials for Idaho and Washington which can be copied and used by other state associations. The video was written and produced by Sue Silk, although Mary Carr and Barbara Greever were the recipients of the grant.

Finally, Jean Wilson of Boise is a member of the ILA Bibliography Committee which produced the 1991 Idaho Bibliography. Her name was incorrect in the October issue.
